<p><i>Figuring out the names of different minors will take some research.</i></p> <p><i>1. Start with analyzing the specific course descriptions.</i></p> <p><i>2. Consult with your advisor and/or visit your home campus advising center for help.</i></p> <p><i>3. Check out the links below for national resources that may help in your search for the perfect minor.</i></p>			
Strike-through	<p>Strikethrough -- a minor clearly available at all 3 campuses -- so not an option for a Tri-College minor. Use additional resources and research to make sure the minor is not available at your home campus.</p>
